Jouanetote
(41)

Fontaine des Anges (44)

Plaisance
(49-50)

The background of the image is a solid dark brown color. Overlaid on this background is a pattern of stylized, overlapping leaves in a lighter, golden-brown hue. The leaves have a prominent central vein and several smaller veins branching off, giving them a delicate, lace-like appearance. They are scattered across the frame, with some appearing more clearly than others, creating a sense of depth and texture.
